SOFIENBERG VGS
ENGLISH WRITING TEST

Health

You can talk about your personal experience about health issues.

Choose one of the tasks below.

1. Write about how your family care for each other.

How do parents care for children?

How do children care for their parents?

How do married couples care for each other?

2. You are a nurse and have to tell someone bad news.

Write about what the bad news is.

Who do you have to tell?

How do you break the news?

Do you have to ask someone for help in this situation?
